Celebrating Valentine's Day

As you celebrate the special relationships in your life, consider activities that accommodate all hearing levels. For example, a candle-lit dinner may be traditional, but turn up the lighting to see each other's faces clearly. Or escort your Valentine on a nature walk or an outdoor stroll. You can always share a mug of hot chocolate if the weather is cold!

FEDERAL LAW PROHIBITS ANYONE BUT REGISTERED USERS WITH HEARING LOSS FROM USING INTERNET PROTOCOL (IP) CAPTIONED TELEPHONES WITH THE CAPTIONS TURNED ON. Automatic speech recognition software generates captions of what the other party to the call says, and, in certain circumstances, a live communications assistant may be included on the call to make needed corrections and/or add call details. There is a cost for each minute of captions generated, paid from a federally administered fund. No cost is passed on to the CapTel user for using the service.
