Do you have trouble hearing on the telephone?

Who is Florida Telecommunications Relay, Inc.?

Florida Telecommunications Relay, Inc. (FTRI) is a statewide non profit organization that provides special telephones for Hard of Hearing, Deaf, Deaf/ Blind, and Speech Impaired Floridians. If you experience frustration using the phone, FTRI may have your solution!

What is the Telephone Distribution Program?

This program loans special telephone equipment to Floridians who are Hard of Hearing, Deaf, Deaf/Blind, or Speech Impaired for as long as they need it. Using this phone equipment helps people communicate more easily.

What equipment is loaned?

- Phones that amplify incoming sound
- Devices that alert you when the phone rings
- Captioned telephones
- Telecommunications Devices for the Deaf (TDD/ TTY)
- Braille TTY for Deaf/Blind individuals
- Phones that amplify outgoing speech

How much does this service cost?

The phones and ringers are loaned on a long-term basis **at no charge**. A surcharge on all landline phones in Florida pays for the FTRI program.

Who is eligible?

- Permanent Florida Residents
- Age 3 or older
- Certified as Hard of Hearing, Deaf, Deaf/Blind or Speech Impaired

How do I receive a telephone at no cost?

Complete an FTRI Application, have it signed by an approved certifier, and either mail it in or visit a Regional Distribution Center (RDC) to receive your phone. For the RDC in your area, visit our website at www.ftri.org or call FTRI's main office at 800-222-3448 (Voice) or 888-447-5620 (TTY).

Who pays for the program?

The Florida Legislature passed the

Telecommunications Access System Act (TASA) in 1991 to make basic telecommunications accessible and affordable for Hard of Hearing, Deaf, Speech Impaired and Deaf/Blind persons. In response to TASA, the Florida Public Service Commission (FPSC) directed local exchange telephone companies to form a non profit corporation to fulfill the TASA requirements. FTRI was founded to loan specialized telephone equipment and ring signaling devices to all qualified residents of Florida for as long as they need it, **at no charge**.

Keep this page for your records.

Conditions of Acceptance (COA):

If you receive equipment from the program, the following conditions will apply:

- 1. I understand that the equipment I am borrowing for telephone access belongs to FTRI; I do not own it. If I abuse the equipment, I can be held financially responsible for the replacement.
- 2. I will take good care of the equipment to ensure it is not damaged, stolen, or lost. If it is damaged, stolen or lost, I will contact FTRI immediately at 800-222-3448 (Voice) or 888-447-5620 (TTY).
- 3. If the equipment stops working properly, I will not try to fix it. I will notify FTRI at 800-222-3448 (Voice) or 888-447-5620 (TTY) and they will fix it.
- 4. I will notify FTRI if my address or telephone number changes.
- 5. I understand the equipment I receive today must be returned to FTRI if:
 - a. I move out of Florida.
 - b. I no longer need the equipment.
- 6. I understand that I cannot sell, give away, or loan this equipment to anyone else.
- 7. I understand that this agreement is binding for any additional or exchanged equipment that I receive from the program.
- 8. Failure to comply with this COA may result in the applicant being denied participation in the FTRI Distribution Program.
- 9. By signing this application, I understand that the user of the equipment is responsible for the use and operation of the equipment, and I agree to defend FTRI and release them of any and all claims, damages and expenses arising out of the use or misuse of this equipment by anyone.

This application will not be returned to you. If you would like a copy, please make one before sending in.

OUTREACH EVENT ID #:_____

Equipment Available:

You may receive **one** phone and **one** ringer, if needed. If you already have FTRI equipment, please pass this application along to a friend who needs our services.

Telephones:

- Amplified Phone: Increases volume for a hard of hearing person.
- Amplified Phone: Amplifies outgoing voice for a speech impaired user.
- In-Line Amplifier: Battery operated amplifier that connects to corded telephones to increase volume for a hard of hearing person.
- ➡ Voice Carry-Over Phone: Allows a severely hard of hearing user to speak for themselves and read incoming text through the Relay service.
- **Captioned Telephone (CapTel):** Captioned phone that allows a severely hard of hearing user to speak for themselves and read incoming text through a captioning service.
- Hearing Carry-Over Phone: Combines a text telephone and standard telephone to serve hearing, speech impaired and deaf individuals.
- Text Telephone: Allows a deaf user to type and then read the response using the Relay service.

<u>Ringers</u>:

- Audio Ringer: Audible signaling device that plugs into a jack away from the telephone to alert the user the phone is ringing.
- Visual Ringer: Visual signaling device that connects to a lamp, causing it to flash on and off when the telephone rings.

Telitalks, Braille TTYs, TTYs with large visual display, speaker phones, tactile pagers, and infrared speaker phones are also available through FTRI's main office. Please call 1-800-222-3448 as additional paperwork may be required.

- **TeliTalk:** For Laryngectomees.
- Speaker phone: For individuals with both mobility and hearing or speech impairment.
- Infrared: Phone allows a user who is both mobility impaired and speech impaired to connect to a speech generating device using an infrared link.
- Large Visual Display TTY: For Deaf individuals with a visual impairment.
- **Braille TTY:** For Deaf/Blind individuals.
- **Tactile ringer:** Vibrates to alert Deaf/Blind individuals that the phone is ringing.

CHECK LIST

Before mailing your application:

- I have fully completed and signed Section 1 of my application.
- Section 2 of my application has been fully completed and signed by a certifier.
- □ I have chosen the phone and/or ringer that meets my needs.
- I have made a copy of my application for my records.

Mail completed applications to:

Florida Telecommunications Relay, Inc. (FTRI) Attn: New Clients 1820 E. Park Avenue, Ste. 101 Tallahassee, FL 32301
